

Greetings Friends,

We hope and pray you all are experiencing the goodness of God this summer. We are eager to share some praises and prayer requests with you. God continues to bless our efforts as we share His Love and His Word with the Deaf around the World. Thank you for partnering with us to make this happen.

**PRAISE-** We praise God for **\$4,234.00** he provided for Uganda COVID Relief. Many of you have responded to the vital need for the Deaf children in Uganda. Thank you for being the hands and feet of Jesus by praying and giving to support the Deaf children in Uganda during this difficult time. We pray God will continue to help us reach our \$10,000 goal.

**PRAISE-** Kayla and Abby made it back safely from traveling to The Bahamas to minister to the ALBC Deaf ministry and Deaf community. Three events were hosted with fun, games and devotions. Also, 18 blessing bags were delivered to various deaf members in the community with food and a daily devotional for the Deaf. They had a wonderful time encouraging everyone to keep growing in their walk with the Lord.

**PRAISE-** Praise the Lord for 27 Deaf people who recently came to Christ in Cuba! We thank God that He is advancing his Kingdom among the Deaf.

**PRAISE-** We thank God for a Deaf young lady who attended a Bible Study via zoom with the Mexico ministry. She asked to meet again with the team and they shared the Gospel with her and she prayed to receive Christ as her Lord and Savior. We thank God for our faithful MCCS staff and technology as a new way of reaching Deaf people all over Mexico.

All Blessings Flow! "**

### Prayer Requests:

\*Pray for our brothers and sisters in Cuba. Many of you may have seen Cuba in the news recently. There have been several protest happening across the island and in the US as well. The people are protesting against the government for lack of freedoms and worsening economy. The people of Cuba are suffering, some even are selling their clothes to have money for food. Please PRAY that God will protect our ministry partners and deaf friends from the violence there. God knows what the people need and we pray that He will provide for them.

\*Please continue to Pray for our ministry partners and Deaf children in Uganda. COVID Cases are still rising and the country continues in lockdown until the end of this month. We pray that God will supernaturally protect the Deaf children, teachers, and staff at our 3 partnering schools.

\*Pray for our Mexico Ministry team as they prepare for the virtual summer camp July 23-25. They will be ministering to deaf children, young adults and married couples. The theme is "Healthy Hearts" we pray that God will use our ministry team to teach the Deaf how to have healthy hearts in the Lord.

## **Greetings from Pastor Paul in Uganda**

*"Greetings in the name of our Lord Jesus Christ, thank you so very much to you and the entire ICCD, for your continued prayers and support.*

*The situation in Uganda is alarming due to the COVID-19 pandemic, many people have lost their lives and loved ones. The country is under total lockdown, movement is restricted, no public or private vehicles allowed to move except with written permission from the office of the president. Many families are starving and are not able to get what they need to eat and our Deaf communities are very much suffering because when such a situation comes, the Deaf suffer a lot.*

*We thank God for those who are staying with us because of your support we are able to provide 3 meals for them daily but those who went to their guardians they must be suffering a lot, so let us keep them in our prayers that God will keep them safe and that He will provide for us and we will be able to take some food supplies to their communities. Thanks to our donors who are supporting all our efforts to save the Deaf kids."*
