Special Note from our New Partners in Uganda at Arise Africa:

*"The children are so excited and learning very fast. I was so happy to see these little ones finding hope in Christ. Please pray for God's provision, I cannot believe how many children are out there and they wish to be reached. The community is so thankful for the services and pray that the Lord provides for the next group of deaf children. We love you so much and our prayer is that God will bless you abundantly so that we can reach more Deaf ! "*
