Reaching the Deaf for Christ

January / February 2021

Greetings Friends,

We hope and pray that you all are doing well and staying safe and healthy. We praise God for this new year and that He is moving among the Deaf that we serve around the world. We want to share some exciting news in the great things God is doing in Mexico, Cuba, The Bahamas, Uganda, Bolivia and Brazil.

After receiving the final reports at the end of 2020 we praise God that **300 Deaf people prayed to receive Christ as their Lord and Savior in 2020**. We Praise God that the family of God has increased through the efforts of our ministry partners and your prayers and support.

Praise God we reached our end of year goal- Many of you prayed and gave toward our 2020 end of year goal and we praise God that He has provided for our needs and has met that goal. We truly appreciate those who have given so much to see the Gospel shared among the least reached people group in the world - The Deaf community. **THANK YOU!!!!**

When a need arose in Uganda for a new water pump, a supporting church stepped in to fill the gap and sent support right away. **God is so good** to provide for the needs of the ministry so quickly!

We also received a praise report that 2 Deaf young men, who had strayed away from the Lord, **recommitted their lives to Jesus**. We thank the Lord for their willingness to follow the Holy Spirit's conviction and for our ministry partners who can encourage them to pursue a deeper relationship with Jesus and be more active in Church.

Your prayers and support truly do make a difference- THANK YOU!!!!

Prayer Requests:

Mexico: Please pray that as our leadership teams shares the Gospel that many deaf will receive and be saved during their virtual Outreach Event on February 13.

Cuba: As the economy undergoes a drastic change, pray that God will provide for all our ministry workers, volunteers and deaf friends as they adjust to the new monetary system and rising cost of living and necessities.

The Bahamas: Pray for The Deaf community in The Bahamas to continue to grow in their faith and be encouraged to attend Church again.

Uganda: That God will continue protecting the Deaf students, teachers and staff from COVID 19 and also that the deaf students will learn more about our Lord Jesus Christ.

Bolivia: COVID cases are rising in La Paz, please pray that God will protect our ministry partners and deaf friends there. Also pray that the Deaf will not lose focus during the Pandemic but remain faithful growing in their daily walk with the Lord.

Brazil: Pray for wisdom and guidance for our missionaries and their family as they serve the Deaf community. Pray that as they share the Gospel the Deaf will have open hearts to receive the Good News of Jesus.

- **These requests were gathered directly from the field and shared with you. Let's lift**

our brothers and sisters up before the Lord together. We trust God will move in a mighty way.

Our Mission remains to share God's Love and His Word with the Deaf !
